2010 TMMTX - Tacoma Line Off Ceremony 001

About 1,000 Jobs Added to Produce Toyota's Best-Selling Pickup

SAN ANTONIO, Texas (August 6, 2010) – Production of the Tacoma pickup truck began last month but was marked today with a ceremony at Toyota Motor Manufacturing, Texas, Inc. (TMMTX). The \$100 million investment boosts total investment to \$1.4 billion.

Texas Governor Rick Perry joined San Antonio community leaders, team members, suppliers as well as Toyota officials including Toyota Motor Corporation Executive Vice President Atsushi Niimi.
