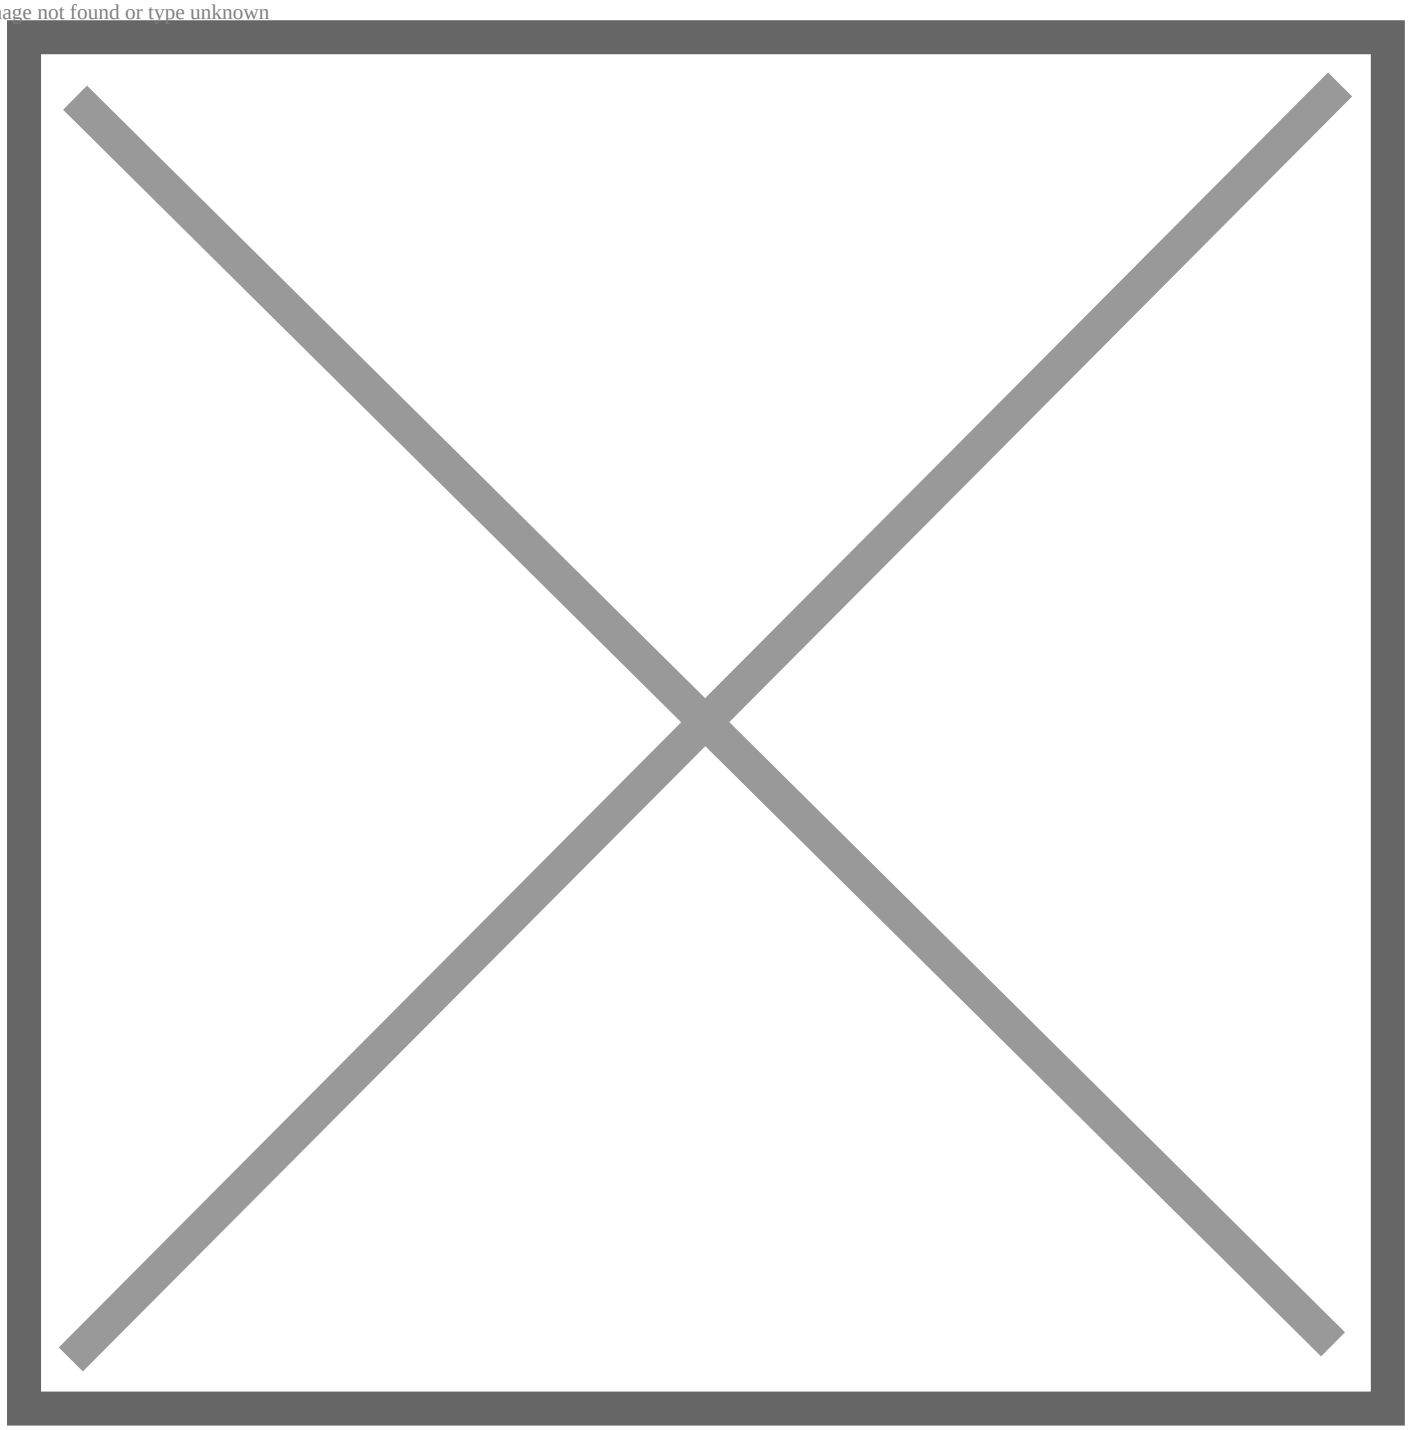
Test Your Knowledge of the First-Ever Toyota Corolla Cross Hybrid

July 06, 2023

Image not found or type unknown



Known for its durability, comfort and reliability, the Toyota Corolla is one of the most popular and top-selling sedans in the world. Now, with its first-ever Corolla Cross Hybrid joining the family, the brand is offering customers a new choice that's sporty, innovative and exciting to drive.

What's more, it's helping reduce carbon emissions to move toward Toyota's "beyond zero" vision to reach beyond carbon neutrality with its products, services and operations; and find new ways to make a positive impact on the planet and society.

With a powerful hybrid engine and a strong focus on safety and technology, the 2023 Toyota Corolla Cross Hybrid is primed to live up to the reputation of its iconic nameplate.

Test (or improve) your knowledge of the incredibly packaged vehicle with this quiz:
