

2025 Toyota Sequoia

August 13, 2024

Image not found or type unknown

The Toyota Sequoia like the mighty trees that share its name, continues its growth and expansion. For 2025, a new grade, optional massaging front seats and an exclusive TRD Pro color will be introduced. This vehicle offers families an ‘adventure in style’ ride with incredible utility, modern technology and heart pumping

performance, all from an efficient hybrid powertrain.
